

48/3031 Wood Cross Faith Key Chain Craft Kit

Be sure to have adult supervision if using a hot glue gun for this craft.

1. Thread the wood cross bead onto the black cord. Slide the cross bead down the cord so that it is in the middle of the cord and that both ends of the cord are the same length. Tie both ends of the cord into a knot above the cross as shown.
2. Thread round beads onto both ends of the cord in the following order, or make your own design: purple, blue, green, white, red, black and yellow.
3. Tie both cord ends around the metal key ring and then tie a double knot. Trim excess cord ends and add a drop of glue to the knot to secure. Allow time for your craft to dry.
Colors of Faith: Yellow represents God's perfect light. Black represents our sins. Red represents the blood Jesus shed for us. Green represents the new life we have in Jesus. Blue represents our baptism. White represents purity. Purple represents the crown of life.
