

48/4538 Give Thanks Fleece Tied Pillow Craft Kit

1. Lay one fleece panel face down on your work surface. Lay the other panel face up on top, making sure that the fringe from both pieces line up together.
2. Use the fringe pieces to tie the two panels together. Tie around the pillow, leaving a 6" section untied.
3. Stuff the pillow through the 6" untied space. When finished, tie the remaining fringe pieces together.
