

48/5786 Foam Flower Wreath For Mom Craft Kit

Be sure to have adult supervision if using a hot glue gun for this craft.

1. Glue the three small purple foam circles to the center of the three orange/red striped flowers. Glue the three blue foam circles to the center of the three pink/white polka dot flowers. Glue the three green circles to the three large purple circles and then glue the purple circles to the three light purple flowers. Glue the three light blue flowers to the three dark blue flowers and then glue the three yellow circles to the center of the blue flowers.
2. Glue the large yellow printed circle to the center of the large pink flower and then glue one end of the pink ribbon to the top of the pink flower.
3. Glue the two white foam bee wings and one wiggle eye to the foam bee as shown. Fold one black chenille stem in half and curl the ends down and then glue to the back of bee's head. Repeat for the second bee. Allow time to dry.
4. Glue the completed flowers and bee's around the green foam wreath. Glue the pink satin ribbon to the back of the wreath and then fold and glue the long end down creating a loop for hanging your wreath. Allow time for your craft to dry completely before hanging.
